Features You Care About.

- AI Vocal Remove

Real-time vocal/BGM separation via USB, BT, or AUX — no app needed.
- RGB LED + Beat Sync

Dynamic lighting that pulses with the beat for full party atmosphere.
- Built-in Battery

Replaceable battery for extended outdoor use without a power outlet.
- Pitch Control (8-step)

Professional key adjustment to match your voice with the music.
- Dual Mic + Guitar

Mic ×2 and guitar input support — ideal for karaoke and live sets.
- Group Play (400W)

Multi-speaker Group Play for expanded, room-filling sound coverage.
